About US

Background

BEN-VITE is a proudly South African black-owned meal replacement and hydration company, established in 2018, primarily to supply meal replacements and food nutritional supplements across different industries in South Africa. BEN-VITE seeks to establish itself as a reliable manufacturer and supplier of sport nutrition and functional foods for mining & construction employees working long hours under harsh conditions.

Our product ranges includes:-

- flavoured meal replacements,
- Hydration;
- vitamin formulas

that stimulate energy level and improves concentration throughout the day guaranteed.

Who are we?

Our mission

We strive to achieve the following;-

- To become a National champion in meal replacements through continuous innovation;
- To provide access to meal replacement and food supplements to employees working in harsh condition;
- Provide meal solutions that are cost-effective;
- Assist organisation to achieve their health compliance standards;
- To promote wellness, workplace productivity and work safety.

Why Choose BEN-VITE

Regulatory

Our products are quality controlled and meet safety standards set by:

- South African Health Products Regulatory Authority (SAHPRA)
- Mine Health and Safety Act 29 of 1996
- Foodstuffs, Cosmetics and Disinfectant Act, 1972
